March 2024

## Your Principal

It's SHOW month! We are so excited and can't wait to show you what the students have been learning and practicing since last September. A show email has been sent out with all the information you need. Please can you take time to read through this and also the show pack which has been emailed out as well.

A big thank you to all our lovely committee members / chaperones and helpers whom, without them, the show could not go ahead. We really appreciate you all.

*Miss C x*

## How to get in touch with us

Here, at FDA, we try and make it as easy as possible for you to get in touch with us, both at the office and the teachers. Please note that teachers will not be responding to messages on their personal number any longer. If you need to get in touch with us, please use the fox dance mobile number 07817 511919 either WhatsApp / call or text as all teachers will see these. You can also email:

admin@foxdanceacademy.co.uk  
misscaroline@foxdanceacademy.co.uk  
missgemma@foxdanceacademy.co.uk  
mississy@foxdanceacademy.co.uk  
missbillie@foxdanceacademy.co.uk  
misslizzie@foxdanceacademy.co.uk

You can also send us a message on Facebook or Instagram but please only use one platform to contact us and not all of them. It is super busy right now in preparation for the show but we will get back to you as soon as possible.

## 100% exam pass rate (again) 😊

Huge congratulations to our pupils on achieving yet another set of successful exam results with a 100% pass rate with many pupils obtaining a distinction grade.

These brilliant exam results follow on from another incredible set of exam results the students received earlier in November 2023.

## Dance Parties at FDA

We know how to throw a good party here at FDA so that is why we have decided to launch are new dance party packages.

Let us take the stress out of planning a birthday party and you can sit back and enjoy it. Spaces are super limited so please get in touch ASAP to check availability (the sooner the better).

## Values

## First Aid and Fire Safety Training

At FDA, the safety and well-being of all our students is paramount so to make sure that in the case of a medical emergency, all members of staff are trained in first aid. The whole team attended a full day of First Aid training last month to ensure that any injuries or medical issues can be dealt with effectively by any member of the FDA Team.

The Team is also attending a Fire Safety course to ensure that in the case of a fire, all students can be evacuated safely.

**Nurture - Family - Encourage - Dream - Inclusive**
