September 2024

YOUR PRINCIPAL

Welcome back, dancers, teachers, and families! I am thrilled to welcome you all back to another exciting year at our dance school. Whether you're returning for another year or joining us for the first time, I want you to know how much we appreciate your dedication, enthusiasm, and love for dance.

Over the past few months, we've been hard at work planning a year filled with opportunities for growth, creativity, and joy. We've updated our timetable, added new classes, and prepared some exciting performances and events that will showcase your incredible talent and hard work.

Thank you for being a part of our dance family. Let's make this year our best one yet—filled with creativity, hard work, and, most importantly, a lot of fun. I can't wait to see all the beautiful things we will accomplish together.

Love Always, Miss C x

FDA is the Best Overall Dance School

It is official, Fox Dance Academy is the BEST overall Dance School in the UK. We couldn't be more delighted with the result as we knew that as a dance school, we try to create a family environment and provide as many different opportunities for our students but to have this confirmed by a professional judging panel is incredible.

We will continue to keep striving to stay the best and to ensure that in everything we do, the students are at the centre of all our decisions because without them (and you) there would be no dance school. If you would like to see our portfolio of work that was submitted to the judging panel, please click [here](#).

ENCOURAGE...

We are so excited to announce that we have booked a ballet workshop with Ms Rachel Loxton. On Sunday 24th November, Ms Rachel will travel from London to visit our studio and deliver a Nutcracker Ballet Workshop. There will be 2 sessions on that day, mini's workshop is 11am til 12:30pm and junior/inters workshop is 12:30pm til 2pm.

Places are really limited so please book early to avoid disappointment. This promises to be a truly magical workshop and we are sure that our students will absolutely love it. To book your place, please click [here](#).

It's that time of year again when we start to learn the routine for this years charity Tapathon (an attempt to break the Guinness World Record for the largest tap dance whilst raising money for Children in Need) which takes place on Sunday 17th November.

Tapathon takes place at hundreds of different locations across the UK, in aid of BBC Children in Need and has become a date in the annual dancing calendar, gaining huge numbers of participants nationwide. Thousands of tap dancing enthusiasts of all ages and tap dancing abilities unite to perform the routines at the same time, on the same day. No matter of age or ability, Tapathon is a great opportunity for none dancers and trained dancers to come together. We are just finalising the details but more information including booking will be circulated in early September.

Dance Parties at FDA

The party season is well under way at FDA and feedback from them has been fantastic. We definitely know how to throw a good party! If you would like us to host your child's birthday party, please get in touch but don't leave it too late as party sessions are limited and many weekends are booked up already. To check availability, please complete the enquiry form which is found [here](#).
